

## TRAVEL & PARKING

The main entrance to Goldsmiths College, University of London, is in Lewisham Way at the junction with New Cross Rd, SE14 6NW. The lecture theatre is at the very rear of the campus. Goldsmiths is midway between New Cross Gate and New Cross Stations (National Rail & London Overground services), both are just 5 minutes' walk away. Many buses pass the entrance or terminate at the nearby bus garage. There is limited parking on Saturdays on campus. Priority will be given to those bringing displays and blue badge holders. There is parking in the public streets enclosed by the University. However, we encourage delegates to use public transport.

## DISPLAYS & STALLS

Several groups will be mounting displays, etc. There is plenty of space available near the lecture theatre. There is no charge for display space.

## SERIAC BURSARIES

SERIAC has a small excess of funds that is disbursed in the form of bursaries (up to £500). These are to support and enhance IA in the SERIAC region. The nature of the support is flexible e.g. fieldwork, publication, widening public understanding, etc. Applicants do not have to live in the SERIAC area but the work proposed must centre on the region. A presentation at a future SERIAC conference is encouraged.

## GLIAS BURSARIES

For IA research and activities relating to the London area GLIAS can also offer similar funding. For both schemes contact SERIAC2020 as below.

**Only cancellations notified before April 13<sup>th</sup> will be refunded**

**For general SERIAC2020 enquiries see [www.Glias.org.uk](http://www.Glias.org.uk)**  
or email [SERIAC2020@GLIAS.org.uk](mailto:SERIAC2020@GLIAS.org.uk) or phone 020-8692 8512

## South East Regional Industrial Archaeology Conference

## SERIAC2020

**Goldsmiths College, New Cross, London**  
**Saturday May 2<sup>nd</sup> 2020**

Since 1983, SERIAC, a loose grouping of Industrial Archaeology and related societies in S.E. England, has held an annual day conference organised by a member society. SERIAC2020 is being organised by Greater London Industrial Archaeology Society as part of GLIAS's 50<sup>th</sup> anniversary celebrations.

The Conference coincides with a number of major anniversaries and two of these, the bicentenary of the Regents Canal and 150 years of the Victoria Embankment are commemorated in talks to be given.
